“HIGH POWER” BRAIDED POLY NETTING

P.E. HIGH PERFORMANCE BRAIDED WEBBING

This resin based dip will penetrate deep into webbing to protect the net from wear and rotting. The durable plastic coating prevents absorption of seawater thus reducing drag and fuel consumption.

CAST NETS

Lee Fisher International Inc. Has Been Making Cast Nets for Over 30 Years. Our Superior Quality Nets Have Earned A Very High Reputation. Our Professional Design And Quality Workmanship Are At A Very Reasonable Price. We Are Always Continuing to Expand Our Variety of Cast Nets to Meet Your Special Needs.

WARRANTY

We warrantee our nets free from defect in workmanship and material. You may return the net to us before putting the net into water if there is any defect. **Once the net is in the water, we are not liable to any claim.** Please inspect the net carefully before putting the net into water.

Dragon Head Swivel

We Proudly Add Our Patented **Dragon Head** Swivel to Most of Our Cast Nets.

This Device Has the Following Advantages Over Any Other Cast Nets on the Market:

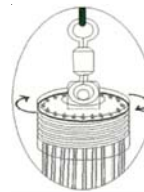

Conventional Swivel

- Bundled Brail Line In Crimped Collar
- Line Easily Tangles Net Difficult to Open
- Lead Line Becomes Uneven After Snag
- Replace All Brail Lines If One Broke
- Costly Repair By Professional Only

Dragon Head

- Lines Individually Tied
- Brail Line Never Tangles
- Replace Only Broken Lines
- Easily Repaired On Site
- Revolutionary Trouble-Free Design

US Patent #US005979100
Taiwan Patent #138793
China Patent #Z198218850

BAIT BUSTER CAST NETS

Over 30 years making nets experience, we specially design this state of art hand made custom net to satisfy all fishermen.

Special Feature

- Patented **DRAGON HEAD** swivel prevents tangling, throws easier, and can be fixed easily yourself on site.
- Heavy weight, **1.5 LBS per radius foot**, sinks very fast.
- Each lead is crimped to lead line to prevents leads from moving, prolonging life of nets.
- Use numbrerous heavy 100 lbs test brail line to close net tightly.
- 6 Panels Design.
- Cover all sizes, from 3/16" mesh and up.
- Use highest quality material, storng, and durable.
- Hand crafted workmanship.
- Packed in a heavy duty 3.5 gallon bucket.

ROPE

We Stock Various Type Of Rope To Meet Your Special Needs. Poly Twisted, Poly Braided, Poly Dac, Nylon Twisted, Nylon Braided, Manila, Polyester, Bungee Cord, Auuasteel Rope, and Others

NYLON ROPE

These ropes are very strong but elastic when under pressure therefore great at absorbing sudden shock loads. They possess excellent abrasion resistance. Nylon offers good resistant to most chemicals such as oils, gasoline. Available in twisted and braided construction.

3 STRAND TWISTED NYLON ROPE

- Strong, durable and shock absorbent

Uses: Docking, anchoring

Available in white only

POLYETHYLENE ROPE

Ropes made from this synthetic fiber are strong yet light weight. They do not deteriorate with water or sunlight. It floats, is resistant to most chemicals, and has good dielectric property. Poly ropes are used heavily in commercial fishing and crabbing.

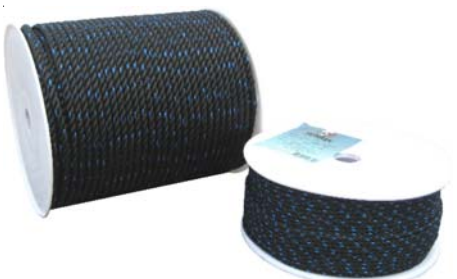

3 STRAND TWISTED POLYETHYLENE ROPE

- Economical, versatile, and strong
- Very low stretch, light, floatable, resistant to chemicals

Uses: Cast net lead line, crab trap, yard work, nursery, utility rope

Available in black with blue trace.

POLYESTER / POLYETHYLENE COMBO ROPE

Combining Polyester and Polyethylene forms a rope that is superior in strength and abrasion resistance. Chemical resistance and U.V. resistance are also improved.

- 3 strand, multifilament construction
 - Superior strength, low stretch & abrasion resistance
- Uses: Commercial fishing, general usage**
- Available in white with red, green trace

SINKER & WEIGHT

Zip seal poly bag **JOY FISH** brand sinker

EGG SINKER

Primarily used for bottom fishing, their egg shape permits the sinker to slide through weeds and over rocks.

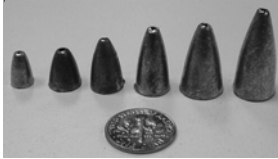

BASS CAST SINKER

Used for trolling and bottom fishing. With a swiveling eyelet that makes it ideal for fishing in strong currents and over rocks.

WORM WEIGHT SINKER

Perfect for rubber worms, the deep tunnel base Of these weights secure the worm nose and protect it from snags and tears.

REMOVABLE SPLIT SHOT

It helpful when a small amount weight is required. It has easy on and off application. Just squeeze the jaws to attach and neck lever to remove.
